Did Jesus Die and Rise from the Dead?

Phil Sanders

The Da Vinci Code movie began showing in theaters all over America May 19. The highly successful book has sold more than 50 million copies worldwide. We felt the need to respond to the

falsehoods portrayed in this book of fiction that claimed to be based upon fact. We felt specially the need to respond to three questions: Did Jesus really die? Did Jesus really rise from the dead? And Are there lost books of the Bible?

The evidence is clear! Jesus really did die and really did rise from the dead! And, no, there are no lost books of the Bible. The Gospels of Thomas, Judas, Mary, and Philip were known by the church in the second century and were quickly rejected for their error. They were not suppressed or hidden; they were rejected because they were fabrications that came along more than 100 years after Jesus.

Remember that if you cannot get these programs, you can see them online at www.tv.God-answers.org and can download the transcripts. We hope you’ll take a close look at these materials.

These programs will repeat in July for two reasons. We are repeating them because of the importance of the issue. We are also repeating them while Jackie and I are taking a trip to Israel. Concord Rd. graciously gave us this trip in honor of our ten years of service with the congregation last year. The time has finally come for us to go, so we felt that these important programs needed to air a second time.

In the latter part of July, we will air two programs on the church. The first answers the question, “What Is the church of Christ?” The second program describes what the church was like in the first century.

Earlier this year a preacher from Finland who knew little about the churches of Christ proclaimed on national television that churches of Christ were cultish and manipulated its members. Likely he confused us with the Boston Movement (International Churches of Christ), which is a cult. We worried that some misunderstood his faulty claim, so we decided to address the problem.

By the time you receive this several new transcripts and videos will be added to our online offerings. Our website has now had nearly 27,000 hits and in the last year. People have downloaded hundreds of transcripts and Bible studies. Since January people have viewed 7,444 files in 1,539 visits.

Be sure to tell people about the program and the website. Word of mouth is still the best advertising. DVDs and transcripts are free. We hope to hear from you soon! Keep us in your prayers. We need them!

From our Mailbag

Phil,

Please send me a copy of the free DVD of your program Monday night ("What Must I Do to Be Saved?") and the free Bible studies. Also, please send a DVD and study to Marsha. Thank you for your programs. God bless, and keep us in your prayers.

Dear Phil,

I am writing on behalf of the church of Christ in Hamilton of New Zealand. We are trying to find videos of sermons or lessons of sound preachers within the church of Christ that we can use here in our congregation and share with others. Are you able to help us here? We are only too happy to pay for tapes and shipping costs.

Don Cranston, New Zealand

Dear Phil,

Please send me a set of the "Upon the Rock" Bible Studies. I read about it in Think magazine.

Chris, Charlotte, NC

Dear Phil,

Good job. Keep up the great work. It is a tremendous honor being a co-worker with you in the Kingdom. May God continue to bless you and your wonderful family. I love you, brother.

What You Can Do!

Please tell your friends about this program. You are an important part of getting the message out to those who need to hear.

The best advertising is still word of mouth. If you know of a congregation that might like to partner with us in spreading this program into a new market, please contact us.

We are now hoping to add a new market to our outreach so that we can make an even greater difference in coming days.

We also ask that you continue to pray for "God's Answers" and for those who work hard to put the program together. Your prayers can make all the difference in the world.

Are We Touching Anyone?

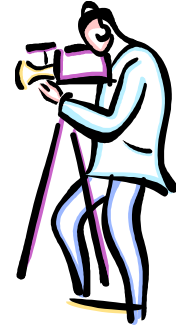

Since January 1,539 people have made visits to the God's Answers website:

<http://www.tv.God-answers.org>

These visits (not hits) have come from many countries in addition to the United States. These nations include: Canada, Denmark, New Zealand, Norway, India, Sweden, Australia, United Kingdom, Japan, Saudi Arabia, Portugal, Italy, Mexico, Ukraine, Costa Rica, Italy, Belarus, Germany, Tanzania, Croatia, and Poland.

Visitors to our website have downloaded 7,444 files! Truly we are making a difference.

We need your help to get the word out about "God's Answers to Life's Questions." Please tell your friends and neighbors about this evangelistic outreach that encourages people to attend the church.

"God's Answers to Life's Questions" may be reprinted for personal or evangelical use. We ask that when quoting articles that credit is given to the author or source of that article.

God was well-pleased through the foolishness of the message preached to save those who believe.
